

Sandstone Township Planning Commission Meeting

3/2/21

Chairmen Crisenbery called meeting to order

Chairman Crisenbery called roll.

Present: Chairman Chris Crisenbery, Supervisor Keith L. Acker, William Donahue, Nicole Cantrell, Blaine Goodrich, Greg Inosencio

Cantrell motioned to approve agenda; Goodrich seconded. Motion carried.

January 5 minutes presented by Chairman Crisenbery. Cantrell moved to approve January minutes; Donahue seconded. Motion carried.

No Public comments.

Chairman Crisenbery presented old business:

Region II approved gun range ordinance with recommendations. Acker recommends we vote to approve the changes.

Additional comments: Cantrell posed question about bathroom facility requirement for indoor range. We can change to simply requiring bathroom facility (porta john, etc). Crisenbery concerned with item 10: noise decibel limit on indoor ranges. Chairman Crisenbery raised question about setbacks for indoor ranges in residential/school area. Goodrich raised concerns beyond noise in that situation. Consensus was that the setback requirement should remain. Chairman Crisenbery will provide final draft of ordinance to members for approval.

Cantrell moved to move ordinance forward as discussed to approval by Township Board. Donahue seconds. Motion passed.

New Business: Chairman Crisenbery introduced information about political signage. Will the commission need to address our current ordinance? Will discuss at May meeting.

Medical marijuana caregiver licensing. Chairman Crisenbery recommends we consider a caregiver grow facility ordinance. Cantrell raised question on the cost of creating ordinances. We can use Region II for help which reduces cost in creating ordinances. Chairman will prepare more information for the next meeting for possible adoption of a caregiver grow facility ordinance.

Chairman Crisenbery will share a list of ordinances the township would like the commission to review at May's meeting.

Comments: No new business suggestions for next meeting from commissioners.

Cantrell moved to adjourn the meeting at. Donahue seconds. Motion carried. Meeting adjourned.
