Sandstone Charter Township - Things to be considered for new school:

- 1 Zoning of Baily property is Mobile Home Park District (MHP) as ordered by court action.
- 2 Rezoning can be done but the township will want to have a MHP District to manage where mobile homes can be placed in the township.
- 3 Rezoning and Land Division likely done together.
- 4 Process: (after land division???)
 - a. Application by property owner (follow Zoning book for requirements (legal description)
 - b. Publication and letters of notification to surrounding property owners (300 feet min)
 - c. Planning Commission (PC) has public hearing (Scheduled when fee is paid with application)
 - d. PC Makes recommendation to Jackson County Planning Commission (They meet typically the 2nd Thursday of each month)
 - e. Jackson County PC sends recommendation to township
 - f. Township Board then takes action on the approval/denial
- 3 Water and Sewer is managed by Spring Arbor however the current contract says that lines in Sandstone are the responsibility of Sandstone.
- 4 Sandstone does not have a water department with a fund nor a sewer department with a fund. So we have an issue to add lines in Sandstone ground.
- 5 Village of Parma would likely want to service any development in Sandstone
- 6 OMN will determine how many homes could be handled by existing sewer lines on the MHP area .
