**Jail Operations Millage Question**

For the purpose of funding ongoing operating expenses of the Jackson County Jail, shall the Constitutional limitation upon the total amount of taxes which may be assessed in one (1) year upon all property within the County of Jackson, Michigan be increased by up to 0.25 mills (\$0.25 per thousand dollars of state taxable valuation), for a period of ten (10) years (2024-2033) inclusive? **Jackson College**  
**Millage Proposal**

This proposal will allow the college to restore its originally authorized charter millage rate of 1.33 mills on all property, with the revenue of this proposal to be used for enhancing job training, job placement and professional trades education programs.

Shall the limitation on the amount of taxes originally established by election in 1964 which may be assessed against all property within the community college district boundaries of Jackson College, Michigan, be increased by 0.1973 mill (\$0.1973 per \$1,000 of taxable valuation) for a period of 10 years, from 2025 to 2034, inclusive, to provide funds for enhancing job training, job placement, and professional trades education programs; if this millage is approved and levied in full in 2025, it is estimated to raise approximately \$1,200,000 (this millage is to restore millage lost as a result of the reductions required by the Michigan Constitution of 1963)?
